 - Chairman McQueeney made a motion to approve, seconded by Commissioner Deveny, unanimously approved.
- Bolt Cutters for 6-3-8 at the cost of \$203.83
 - Chairman McQueeney made a motion to approve, seconded by Commissioner Deveny, unanimously approved.

➤ **Follow-up items:**

- Looking for an answer on Houseman Michael Argenti and his hours per my request at the last regular board meeting. Is the board willing to switch his hours back, has he been spoken with? Executive session to discuss privately as per Commissioner Meyer

➤ **Information:**

- Riverhead Fire Department and Riverhead Volunteer Ambulance Corps have been taking alarms at Tractor Supply Company, Middle Country Rd. Calverton, NY 11933. This is a business that is in the Wading River Fire District. Both agencies have not contacted Wading River Fire District, or Department that the alarms have been given to the wrong agencies. The problem seems to be stemming from Riverhead Police Department dispatchers that have been dispatching the wrong agencies.
 - Chairman McQueeney requested that the Chief reach out to Riverhead FD and PD.
- 6-3-30 Tahoe needs to go to GM dealership for a computer programming recall. I actually have to run out to Buzz Chew at some point within the next 2 weeks so I could schedule and take it there, otherwise I could turn it in to the district and take a loaner and the district can take it. It will be coming up as due for an oil change soon. The dealer could handle the service if the board/ DM would like while I wait for it. This is per the mechanic at Commander Fleet.
- Chief Whelan shared a recent legal case involving the driver of an engine who went through a red light. The Appeals Court decision found fire district will not be liable for their volunteer fire districts. Districts no longer has vicarious liabilities/negligence due to their status of special privileges.

Executive Session #2 requested by Chairman McQueeney to discuss personnel and litigation matters.

- Chairman McQueeney made a motion to move to executive session, seconded by Commissioner Wallace, unanimously approved.

Adjournment for Executive Session: 1956

Reconvene from Executive Session: 2025

Treasurers Report:

District Manager Michalakopoulos

➤ **Bills total: \$50,119.72**

- Commissioner Meyer made a motion to pay the bills, seconded by Commissioner Deveny, unanimously approved.

Commissioner Reports:

Chairman McQueeney

- Requesting 6-3-80 automobile accident report from staff and installing a forward-facing camera. District Manager will get BOFC a price.
- Thanked Chief Donnelly and Jade Andracchi for setting up Zoom meeting with Department of Social Services. Commissioner Meyer also complemented both for doing a fantastic job. Meeting was very productive.
- Sick calls – requested BOFC is emailed when someone calls in sick. EMS Supervisor Andracchi should let BOFC know.
- Payroll – District Manager will email out.
- Requested update on freezer upstairs
- Boat back in a week or less and will let you know what props to buy

Vice Chairman Moreno

- No report

Commissioner Deveny

- Requested District Manager contact Cathy DeLuca (AFDSNY) to submit recently deceased members' names to list/newsletter.

Commissioner Wallace

- No report

Commissioner Meyer

- Commissioner Meyer made a motion for Commissioner Wallace, Chief Donnelly, Commissioner Wallace and himself to be reimbursed as per the previously BOFC adopted GSA per diem rate for the FDIC Conference, seconded by Deveny, unanimously approved.
- Requested update on All American sign off for Commissioner's sweatshirts.
- Recent inquiries and phone calls regarding medical billing. Requested that the information be put on new website and added to phone answering system. District Manager will follow up with phone system to connect to QMC for any questions. BOFC would like an information letter to go out to the residents along with EMS Surveys.
- Discussion regarding sending a letter out to neighbors (HQ) to notify the WRFD interest in possible purchase of property should they plan on selling.
- Bodywork – equipment inspections and identified repairs needed (rust on 6-3-11). District Manager will obtain quotes.
- Requested District Manager send a memo to District Treasurer Cangeleri requesting information on budget capacity to hire another full-time medic to be presented to BOFC for next meeting.
- Requested District Manager to send memorandum to EMS Supervisor, Jade Andracchi, to have her report to BOFC at next meeting on pro/cons of possibly moving hours of for EMTs/Drivers. Breakdown of busiest times.
- Work Session in June – topic 1, 3, 5-year plans. Asked Chief to start working on their end. Most likely a Sunday morning. Will walk around to see what can be excessed and then sit with Chiefs and assistants.

For Next Meeting:

- Treasurer Cangeleri update – where money for another full-time paramedic
- EMS Supervisor Andracchi – prepared to speak on pro/cons moving times around and alternatives covering weekend shifts
- Chief Berg put together a proposal for new badges and recycling member numbers.

Commissioner Wallace made a motion to adjourn, seconded by Vice Chairman Moreno, unanimously approved.

Meeting adjourned at 2049 hours

Respectfully submitted,

Eileen F. Manitta, District Secretary
Wading River Fire District

Material Requests

- None

DM Report:

- Received the following checks:
 - None

Equipment

- Firefighting Gear – Material Request processed, vendor contacted and measuring of members scheduled and completed on 5/8/23, purchase order issued.
- Class A Uniforms - Material Request processed, vendor contacted and measuring of members scheduled for May 30th.
- Gas Meters – New meters received, inventoried on 5/5 and turned over to chief staff for distribution to apparatus.

Apparatus

- 6-3-32 – Vehicle completed except for addition of VHF mobile. Working with chief staff and vendor on alternative options due to limited space in rear of command box.
- Spare District Truck – Vehicle at autobody shop completing repairs to the rear of vehicle. Vehicle is expected to be out of service for approx... One week.
- New 6-3-8 – Vehicle at vendor getting punch list including warranty items and tool mounting. The only item remaining is the radio communication system which was put on hold at the last meeting. While in attendance at FDIC met with several vendors, recommendation is to remain with the system submitted by chief staff. Have 2 quotes for board review, original from Neville and second from IWT. The original schedule of completion remains the same, approx. 3 weeks.
- 6-3-16 & 6-3-17 Garage Remote – As requested by commissioner Deveny, 3 button remote have been added to the ambulances and are now controlling the ambulance bays at both stations.

Buildings

- HQ Structural Evaluation – Received and submitted BBS Architects Engineers final draft report for HQ to board for review. The report is limited regarding the structural issues to the front of the building due to delays from J.C. Broberick report. Sil boring report was received and submitted which is showing a great deal of water retention in the area in questions. We will be scheduling an onsite meeting with all parties (BBS Architects Engineers, J.C. Broberick, and district) to discuss the next step. Most likely it will involve additional testing to develop an action plan.

- HQ Building Renovation Project – In progress, project remains on schedule and within budget.
- HQ / Station 2 Monitoring System – Repairs have been completed and request submitted for the replacement of the station 2 diesel nozzle as requested, waiting for vendor for quote. Requested swap of nozzle in lieu of additional purchase.
- Fire Alarm Systems – Repairs to both HQ and Station 2 have been completed.
- Memorial Stone Engraving – Submitted and approved proof from Peconic Monuments for the engraving 2023 deceased members Daniel A. Zaveski and Herbert J. Eickholz. Work is currently scheduled to be completed prior to the Memorial Day Services. Unfortunately the request to NYS association of Fire District to add Ex Commissioner Zaveski to the 2023 annual services was made after the deadline but will be added to the 2024 services.
- Access Control Keypad – in progress, apologies for the completion delays, maintenance staff will complete upon return from scheduled vacation.

Projects

- Communication Tower Project – Received and submitted final site plan drawings to board for review, all items that needed to be address including any items requested by Riverhead town have been completed. Vendor in process of assembling application for submittal to Riverhead Town. Once updates are received, information will be forwarded to the board.
- EMS Recovery Billing Implementation – Weekly onboarding meeting with EMS supervisor and QMC in progress, received Medicaid approval, working with vendor and EMS supervisor on any remaining documentation requested.
- Diligent – In progress, continuing to work with the district secretary on setup & training. Would like to thank Eileen for all the time and effort in setting up the templates and the live demonstration this evening.

Staffing

- FT Paramedic position – Civil Service completed processing paperwork, we received certified eligible list, mailed canvass litters to all candidates on the list. Began receiving replies, once deadline has expired, we will work on scheduling interviews

In conclusion, I would like to thank the board of fire commissioners for allowing me to attached the 2023 FDIC conference

Wading River Fire District

Wading River, NY 11792

Dear Greg:

Thank you for allowing us to quote you on new LED lighting for your facility.

We are experts in lighting design and Utility Rebate Programs. When we design your new lighting, we look to maximize your energy savings while keeping your out of pocket costs to a minimum by maximizing the rebates paid by your local utility.

There are many reasons to choose Aztec to install your new LED lights, but here are just a few of the key reasons our proposal brings more value than our competitors:

1. We are award winners. For the past two years in a row (2021 and 2022) Aztec has been recognized by PSEG Long Island with the award for Top Performer Best Savings Value/Lighting Economics, as a result of our customers paying the least amount of money for the energy saved.
2. We offer a complete turn-key service to our clients from design through installation. We do not broker your project out to a sub-contractor for installation. We are licensed electricians and we install your project ourselves, always maintaining strict control over the quality of our service.
3. Aztec has an A+ rating with the Better Business Bureau with not a single complaint filed after 700+ installations completed. We also have a 4.9 Google rating, from over 70 reviewers. The highest rating by the most reviewers among all our competitors.
5. We have been working in the PSEG program longer than any other (since 2012) Prime Efficiency Partner listed today and have installed some of the largest projects on Long Island (Southampton Hospital, Geico HQ, Zebra Technologies, Rothco, and about 700 more).

Please review this proposal and free to contact me with any questions you may have or if you wish to move forward.

Regards,

Mark Ascagnò

CUSTOMER NOTES

DISCLAIMER

The energy and costs savings represented in this proposal are estimates based on industry standard calculations. We use specific watt reduction calculations from the actual luminaires existing to the actual luminaires being proposed multiplied by the number of hours they are estimated to be on. Our calculations are estimates only and may vary significantly from the actual figures reported by the utility company. In our calculations, we use the average utility rate for energy but we do not include any additional charges, such as demand ratchets, which may be added to your bill by the utility company. The rebates included in this proposal are the actual rebates in effect at the time this proposal was prepared. These rebates are subject to change, or elimination, at any time without notice, by the utility or state governing agency.

TERMS AND CONDITIONS

\$3,520.00	Total Project Cost
<\$1,500.00>	Less Rebate to be paid directly to Aztec from PSEG Long Island
\$2020.00	Net out of pocket cost to client

Net out of pocket cost due and payable as follows:

1. \$ 485.00 On acceptance of this proposal.
2. \$1,535.00 On pre-approval of rebate by PSEG Long Island, and on execution of construction contract.

Notes:

- a. If PSEG pre-approval amount varies by more than 10% of the amount that we have estimated in this proposal, the client may cancel this transaction and Aztec will refund the initial deposit paid (#1 above).
- b. On receipt of the payment #2 above, Aztec will order materials for this project. Installation will be scheduled once all materials have been received by Aztec. To facilitate a prompt installation date, Aztec will have the right to substitute comparable products when those materials specified herein are not available.
- c. The design and materials proposed here are the results of best practices in lighting design. On occasion during installation it is revealed that the fixtures or lamps specified are incompatible with existing conditions. In those circumstances, Aztec shall have the right to substitute different materials/fixtures, or eliminate the specified fixtures from the scope of the work. When the fixture replacement must be removed from the scope of the work, Aztec will refund the net cost of the fixture to the client.
- d. Any payment that may be listed above as "Due on Completion" shall be due and payable on the final date of installation.

IN WITNESS WHEREOF, the undersigned have caused this Agreement to be executed as of the day and year first above written.

Dear District

On behalf of the entire Suffolk County Department of Health Services' Division of Emergency Medical Services, I thank you and the members of your organization for your consistent efforts to improve emergency medical care and for the outstanding service you bring to the community. During this week, we take time to recognize the inspiring contributions of our County's EMS Providers and to honor your dedication to the profession.

As we embark on *National EMS Week 2023*, we ask that you, as a valued member of our County's health care system, accept the enclosed certificate as a small token of our grateful appreciation for your commitment to EMS.

The theme of this year's National EMS Week is "**EMS: Where Emergency Care Begins.**" This theme is particularly meaningful now, to remind people that every day we are faced with so many new challenges in our lives and yet we still rise above them all and continue to respond, to support, and to care for the needs of our Suffolk County communities.

We recognize that your presence and caring have an impact far beyond the expert clinical care you provide, and we are pleased to do our part to reach out to our local communities to honor the dedication of those who provide the day-to-day life saving services on medicine's "front line." Suffolk County EMS is comprised of a current total of 5,708 credentialed EMS providers from 111 separate EMS agencies that collectively respond to over 180,000 calls for service every year.

Thank you again for your service to the Suffolk County EMS System.

Sincerely,

RECEIVING DREAMSEAT SHIPMENTS

If you are not the one physically receiving the DreamSeats product, you must make sure the receiver has this information as you (the customer) will be responsible for accepting delivery.

DreamSeats contracts carriers to deliver your order and it is extremely important to us that you are satisfied with the overall services as well as the condition of the product received upon arrival. We want you to be aware of your rights and responsibilities as the end recipient.

If freight is signed for without indicating any damaged or missing pieces, it is almost impossible to get the freight companies to take responsibility and we cannot be held responsible if the procedures below are not followed.

*****PLEASE DO NOT USE SHARP OBJECT TO OPEN CARTONS*****

1. Upon delivery, make sure the pallet and box count matches the bill of lading, and the product that was ordered was received. It is DreamSeats expectation that the receiver make note of any count discrepancies (shortages or overages) on the driver's bill of lading before signing for the receipt of the shipment.

2. Upon delivery, make note of any physical damages to the packaging. Damaged packaging, which may be subject to concealed damages, should have pictures taken and should be opened and inspected immediately. Photos of the identification labels on the box and close ups of the damage should also be taken. If there are damages or merchandise of the wrong color received, **SAVE THE PACKAGING THAT THE MERCHANDISE CAME IN!** You will need that to wrap up damaged piece to return to us if that is the case. ****When signing the bill of lading, write down any damage such as box corners crushed, tears, rips slices, marks, etc. ** IF BOXES ARE TERRIBLY DAMAGED YOU HAVE THE RIGHT TO REFUSE THE SHIPMENT, PLEASE USE YOUR DISCRETION.**

3. Upon delivery, you must open all cartons prior to signing the bill of lading. If driver does not stay before you inspect your shipment, write "DRIVER DID NOT STAY AND SHIPMENT IS SUBJECT TO INSPECTION". Driver will give you a copy of the bill of lading, if not, ask for one as this is the only documentation of the condition notating damages or missing product.

4. If the paperwork is signed free and clear of any count discrepancies or damages, then any claims to DreamSeats after the fact will be null and void. Signing the delivery receipt without inspection indicates that you are receiving the product in good order. A bill of lading is a legal document and DreamSeats has no recourse against transport companies if the Receiver has signed for receipt without notice of damages or missing pieces.

XZIPIT LOGO PANELS

IMPORTANT: If your shipment includes XZipit Logo Panels (will be noted on packing slip), they are not on the furniture and are packaged separately in a clear plastic bag and placed in the chair box marked "XZipit Logo Panels Enclosed." Please look over your boxes and packaging thoroughly to make sure you have the panels before you dispose of the packaging.

It is imperative that all claims of missing or damaged freight and wrong color merchandise be reported to DreamSeats within 48 hours of receipt. DreamSeats Logistics team will investigate and assess each Claim and will initiate the corrective action. DreamSeats will not be liable to repair or replace product if the above mentioned procedures have not been followed. In the event that the damages are discovered after the driver is released, please contact your Sales Person immediately. Although all claims will be considered on a case by case basis, failure to file a claim in a timely maner may result in the claim being refused.

TO REPORT A CLAIM

All packages must be opened and inspected at time of delivery. Losses and/or damages (visible or concealed) must be reported to your DreamSeats' Sales Representative within 48 hours of receipt or it will not be honored by DreamSeats. Send photos of the damaged packaging, damages to the product and all manufacturing tags/labels which are usually located underneath the furniture as well as a description of the damages.

Once our Sales Representative has all the information, it will be forwarded to our Claims Department and investigated to get you the best results in fixing the situation in a timely manner.

Thank you for you business and if you have any questions, please don't hesitate to contact us.

Board of Fire Commissioners
Wading River Fire District
1503 North Country Road
Wading River, NY 11792

CC: WRFD President Chris Kuzloski

Gentleman:

I respectfully request use of the main meeting room at Fire Headquarters on **Saturday, August 5**, from approximately **11 a.m. to 3 p.m.** for a reception following a funeral mass for my father, which will be held at St. John's Church at 10 a.m. We are expecting approximately 50 to 75 people to attend the reception following the mass. Attendees will be asked to leave their vehicles at the church parking lot and only a few vehicles with handicapped permits will relocate and park on the south side of the WRFD lot for the reception. All other provisions of the Fire District's meeting room use policy will be followed.

If you need any additional information, then please don't hesitate to ask. Thank you in advance for your consideration.

Sincerely,

John Galvin

TREASURER'S REPORT

See Attached

REPORTS OF COMMITTEES

NYS FIRE DISTRICTS ASSOCIATION

Director Deveny reported the conference is scheduled for May 17th to the 20th at the Turning Stone in Verona, NY. The scholarship winner from our area was from Nassau County.

NYS STATE ASSEMBLYMAN

Joe Destefano reported on the bill pending regarding buyback of civil service time. Discussed numerous budget issues. Discussed the increase in the minimum wage. He also stated that there is a \$50,000.00 grant earmarked for the museum.

LONG ISLAND LEGISLATIVE COMMITTEE

John Dolezal reported that both Nassau and Suffolk have paid their annual stipend to the LI Leg Committee. The PAC is up and running and open to any members who want to join. Some departments are taking advantage of the ambulance billing program and receiving payments.

SCFDOA

Bob McConville gave a report on a study about an all-paid force providing fire protection for NY State and the excessive costs involved. The report is on the website. Suffolk County Parade will be held in Riverhead.

BROOKHAVEN TOWN REPRESENTATIVE

Mike Loguercio reported he is working on a video about recruitment. If anyone has any ideas for the video, contact his office. Also held discussion on all of the destroyed pine trees in the pine barrens and how they have been cut to 3-foot lengths.

BROOKHAVEN TOWN FIRE CHIEFS

Mike Verni reported next meeting is May 25th. Thanked the Association for the invitation to the brunch.

BROOKHAVEN TOWN SAFETY OFFICERS ASSN.

Jeff Bailes discussed a safety chart checklist that he displayed to the floor.

BROOKHAVEN TOWN FIRE POLICE

Bob Safranek reported next meeting in Westhampton on 05/15. The BTFPA has a new mailing address.

BROOKHAVEN TOWN DRILL TEAM

Tom McGregor advised he met with Mike Loguercio to discuss some items of concern at the track. The backup pump should be ready by the end of next week. Working on a bidding process for the state parades.

TOWN WORKSHOP

Scheduled for October 7th at the Medford Firehouse. The topic will be suicide prevention and health and wellness.

ANNUAL BRUNCH

Scheduled for this Sunday, April 30th from 1100 – 1500 at Sunset Harbor in Patchogue.

PINE BARRENS

Brian Brooks reported last meeting was in Ridge. Suggested with the brush fire season upon us to send members for brush truck training. Funding is an issue. Next meeting 6/28.

FIRE ADVISORY BOARD

Brian Brooks reported meeting last night at Brookhaven. Two new fire marshals have been hired. Trying to move meetings to Tuesday or Wednesday.

FIRE DISTRICTS MUTUAL

John Caputo reported that there is a 15-day window to submit reports. If not done in that amount of time, the claim should be put on hold until all information is obtained.

VICE PRESIDENTS REPORTS

Scott Theobald stated Pesh is still going around making their inspections.
Dave Sponton is now our rep for the museum.
Hank Strong is our new director.

Brian Brooks stated he would like to work on some ideas to increase attendance at our meetings.

BROOKHAVEN TOWN FIRE MARSHALL

Walter Dunn stated two new fire marshals have been hired. Construction of large footage buildings in Brookhaven Town is out of control. Many large warehouses in the Ridge-Yaphank area being built. The builders must do a study to ensure emergency communications work inside these buildings. You may get a call from a builder asking you to come to their site with some radios to check the communications.

New Business

Jack Blum stated a newly elected chiefs meeting is being scheduled.

President Sponton made a motion to purchase a full page ad in the Brookhaven Fire Department's 100th year journal for \$200.00. Motion seconded by B. Brooks. All in favor.

ELECTION OF OFFICERS

The following members were nominated for office:

Sargeant of Arms	Matt Wallace	Wading River FD
Second Vice President	James Rant	Terryville FD
First Vice President	Brian Brooks	Ridge FD
President	Scott Theobold	Yaphank FD

As there were no other nominations, there was a motion from the floor that the secretary cast one affirmative for the unopposed slate of candidates. Motion was seconded and approved. All four members were duly elected to their new positions.

GOOD AND WELFARE

Scott Theobold thanked everyone for their support while he was vice president and looked forward to working with the board and the membership during his term as president.

Dave Sponton thanked everyone for their support during his 8 years on the board and wished all of the incoming officer's good luck in their endeavors.

Roll Call – 14 Districts present 27 Members present.

DARK HORSE

Winners	John Dolezal Mastic
	Kirk Johnson Rocky Point

Next meeting will be July 27th in Middle Island.

Dear Fire Commissioners,

It has been brought to my attention that you are in the process of downsizing your current marine fleet, namely your 2006 23ft SAFE BOAT, to improve your launching capabilities. Our current AMBAR rescue boat is over 20 years old and is in need of replacement.

I am very much interested in acquiring your SAFE BOAT for our Dive Rescue Team. I am available to discuss at your convenience. Maybe we can meet in the immediate future at the current location of your boat to view the boat and discuss the details.

Yours for service,

A handwritten signature in black ink, appearing to read "David J. Hegermiller", is written over the typed name and title.

Please replace MDT in Chief Donnelly's Vehicle. Chief Donnelly uses it on EVERY call. Current unit a different MDT than others, company is no longer in existence. Unit is not functioning properly, has no cellular connection. New Patrol PC unit to be installed as DEMO unit and if works well would be purchased. Other Chiefs units can be bought back by company and new units would be purchased for other chiefs vehicles. Spare truck also has a mount in it so unit could be moved into that vehicle if needed.
